Dear Ms Byrnes,

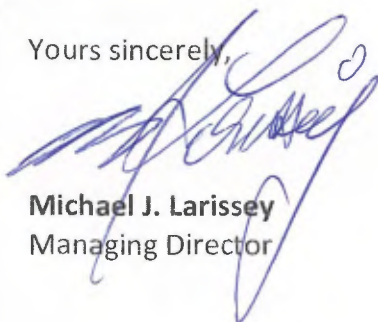

Re: Tasmanian Redline Coaches v The Australian Human Rights Commission and Paraquad Tasmania

Further to your letter of 24 June 2014, regarding reporting under condition 2.3 of the exemption.

As no non-compliant buses were used for each of the six month periods we understood a report was not required.

Please take this letter as notice that no non-compliant buses have been used up until 23 April 2014, and our report for the next period will be submitted, even if nil, by 21 November 2014.

Yours sincerely,

Michael J. Larissey
Managing Director
